We see a bunch of news POSTERS and we read:

Elena speeds up and goes into an alley.

The punk checks out the girl with a mad face, she avoid him.

Straight ahead there is another guy, CHECCO, a criminal with a SCAR on his face.

Elena watches her back to avoid going toward Checco, behind her there are Pippo and GEPPPO, another punk.

Elena tries to go ahead, Checco stops her way one, two, three times. He has a mand smile on his scarface.

Two more punks approach them as well, NICO and NINO.

Elena tries to escape from them all, she finds only a solid and dirty wall.

She is trapped.

CHECCO

You can't just walk around, all
alone, like that!

ELENA

What... what curfew?

A small foot steps on the floor, a bit far on the punks' back.

ELENA
